THE COTTON MARKET yesterday was again cheared by more favorable tele-grams, as far as the tone of the principal markets went; New York, New Orleans and Liverpool were all firm. In our market orders were few, and the inquiry was more from holders for buyers man from buyers for cotton; holders, however, were more firm in their as xings. The New York Bulletin, of Monday, reports speculative pranipulation a feverish demon on home accounts; exporters and nothing encouraging; spinners take only from hand to mouth; futures were irregular and dull. The Lancashire Cotton Spinners' association have resolved to reduce wages ten per Miscellance of the Miscellance of t cent; this affects from fifty to sixty thousand warkmen. In north and northeast Laucashire the employers have resolved to reduce wages, and run four days a week. Quotations at the Memphia cotton exchange were as fol-
